Getting together to
promote CHERI

CHERITECH'24

What is missing to get CHERI adopted?

How to stimulate the industry?

This problem has been solved before...

USB implementers forum

Mipi Alliance

HDMI Forum

RISC-V International

JEDEC Solid State Technology Association

Wi-Fi Alliance

Linux Foundation

Getting CHERI out of the lab...

- CHERI cannot just be a specification
- Need to jointly
 - Promote security (and CHERI in particular)
 - Technical align
 - Make sure it can be implemented efficiently
 - Manage different "flavors" of CHERI
 - Ensure compliance
 - Demonstrate industry adoption
 - Manage the communication / branding
 - Educate, support community
